

Code of Conduct

RDCA matches are played in the true spirit of cricket. This Code of Conduct — based on the Victorian Metropolitan Cricket Union (VMCU) code — sets out the standards of behaviour expected of players, club officials, coaches, parents and spectators across all RDCA grades: Seniors, Juniors, Women's and Veterans. It works alongside the Association's Child Safety commitments.

1. The Spirit of Cricket

Cricket owes much of its appeal to the fact that it is played not only within its Laws but also within the spirit of the game. Any action seen to abuse this spirit causes injury to the game itself. All participants are responsible for upholding fair play, respect and integrity at every match.

2. Players

- Respect umpires and accept their decisions without dissent or argument.
- Respect opponents, team-mates and the traditions of the game; play hard but fair.
- No abuse, intimidation, sledging, threatening behaviour or physical contact.
- No language or conduct that offends, insults or discriminates on any basis.
- Take responsibility for your own conduct and that of your team.

3. Club Officials & Coaches

- Set the standard — model respect for officials, opponents and the game.
- Ensure players understand and uphold this Code.
- Place the safety, wellbeing and enjoyment of participants first, especially juniors.
- Address breaches by your players, members or supporters promptly.

4. Parents & Spectators

- Encourage and support all players; never ridicule or abuse a participant.
- Respect the decisions of umpires and officials at all times.
- Behave responsibly — abusive, discriminatory or threatening conduct will not be tolerated.

5. Breaches & Sanctions

There is zero tolerance for abuse, intimidation or discrimination. Serious or repeated breaches of this Code can lead to reports, hearings and suspensions under the Association's disciplinary process. Clubs are responsible for the conduct of their players, officials, members and supporters.

6. Child Safety

RDCA is committed to the safety and wellbeing of all children and young people. This Code operates together with the Association's Child Safety / Safe Cricket policies. Any child-safety concern should be reported in line with those policies.
