

Junior By-Laws & Playing Conditions

This is a placeholder slot in the rebuilt RDCA website. The Junior section is set up to host the **exact** junior documents as direct downloads (rather than linking out to the old rdca.com pages).

Action for RDCA: please supply the current Junior By-Laws / Playing Conditions file (PDF or Word). We will drop it into **/docs/** and this download will point straight to it. The same applies to any other junior-specific forms you want hosted directly.

Site build 2026-06 · placeholder pending official RDCA file.
